Small farm with houses with an area of 4100m2

Come and see this Quintinha about 15 minutes from the city of Castelo Branco. It has 3 houses to recover with a implantation area of about 110 m2, about 55 olive trees, a tank, fence next to the houses and some fruit trees. With an area of about 4100m2, it is about 100 m away from a brook. You can fulfill here your dream of being able to live in isolation one step from the city. The accesses are made by tarmac road and about 680 m of rural path. With possibility to order a lowered electric, given the proximity of the medium voltage network. With unobstructed views and a landscape without nearby dwellings you can find here your refuge and get here your quality of life that you have always sought.
