Come and visit this store, with a large terrace and storage room in the basement. This property is relatively recent. The floor that is at the level of the ground floor, has two bathrooms, a small glazed room with a lot of natural light, and a door that leads us to the terrace. The main façade has 1 very generous window facing the main street, with a lot of visibility.

On the lower floor / basement we can find a space that currently serves as a pantry and storage room. For more information talk to your ADN real estate.
