Unique Opportunity: Land of 2.75 Hectares in Monfortinho, a region of unparalleled beauty

Discover this natural refuge, ideal for building your dreams.

With 2.75 hectares, it offers a variety of features that make it truly exceptional.

We highlight the large amount of water available on the property through the stream that crosses it and its pond

It has a forest area, composed mainly of pine trees that gives the land a natural and diverse environment. This area not only provides shade and coolness, but also serves as a habitat for a variety of wildlife.

Access to the land is facilitated by dirt roads in good condition, ensuring convenience and practicality to get to and from the property.
