Land with 4240m2, ruin and well for sale

Plot of land with 4240m2, located in the picturesque parish of Salgueiro do Campo, near Castelo Branco. Enjoy the best of both worlds, with quick access to urban amenities and the natural beauty of the region.

We highlight the abundance of water, coming from the stream that crosses the property and the well with a traditional water wheel.

At your disposal there is a registered rural construction with 31 m2, currently in ruins, ideal for rebuilding a stone house maintaining the authentic character of the region.

It has good accessibility by dirt road and is mainly composed of holm oaks and olive trees.

This land offers ample possibilities to create the place of your dreams or invest in sustainable agricultural projects.
